

2nd GLOBAL SUMMIT on PUBLIC HEALTH

Theme: Exploring new frontiers in the multidisciplinary of health."

ABOUT GSPH2024

Heighten Science Conference welcome you for Global Summit on Public Health (GSPH2024) scheduled to be held on September 25-26, 2024 under the theme "Exploring new frontiers in the multidisciplinary of health."

Our premier event dedicated to the latest developments in the field of public health is set to bring together leading experts, researchers, and practitioners around the globe. The influential gathering will serve as a platform for sharing ground breaking research, discussion on innovative strategies, and addressing challenges in the realm of public health. By providing a dynamic space for professionals, researchers, and thought leaders to converge, our platform plays a pivotal role in shaping the future landscape of medicine, science, and technology.
